

 *Flooring & Furniture Specialists*
PJSC Dniprowood

PJSC "Dniprowood" is located in South part of Zhytomyr region of Ukraine.

It is quite big (factory's S - 20 000 m² and nearby territory is also around 42 500 m²) full-cycle factory with own drying kilns (total volume 1000m³). We have big staff – 280 people are working at the factory.

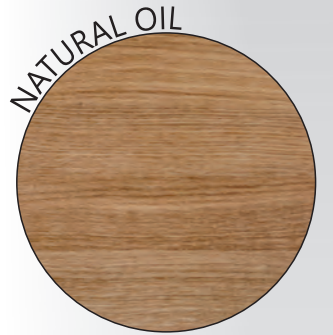

PJSC "Dniprowood" is a leading manufacturer of solid oak furniture and engineered flooring in Ukraine with almost 20 years of experience in an industry. We supply worldwide but European market remains a main destination for our products.

In order to meet our customers' needs we produce a wide range of products for dining and living rooms: coffee tables, dining tables, sideboards, glass cabinets, tv-units etc. All furniture is made of environmentally friendly and legally harvested wood.

Engineered flooring production is another part of our daily activity. We produce: multiflooring, floor panels, herringbone.

In 2010 year we got FSC certificate, in 2013 - EC Declaration of Conformity.

Also under request we provide all our customers with documentation needed for EUTR.
